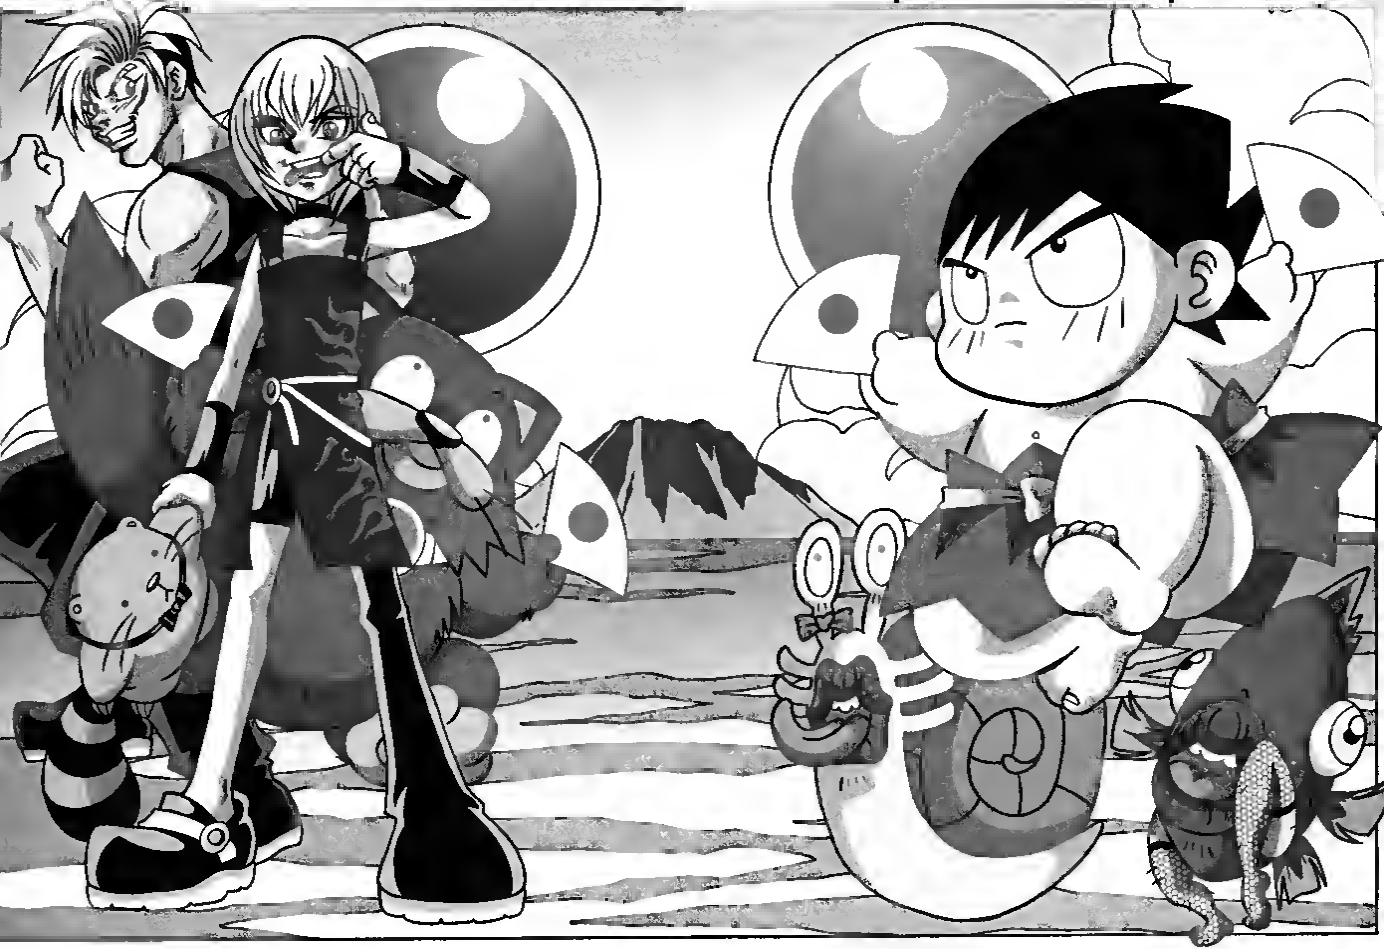
And the name of that island which we have not forgotten!
The name of that boy which you have not forgotten--



The top floor is shaking violently!
No...! It's coming from inside.
What the! An earth-quake !?

It can't be— ...
The top floor ...

It's calling —...

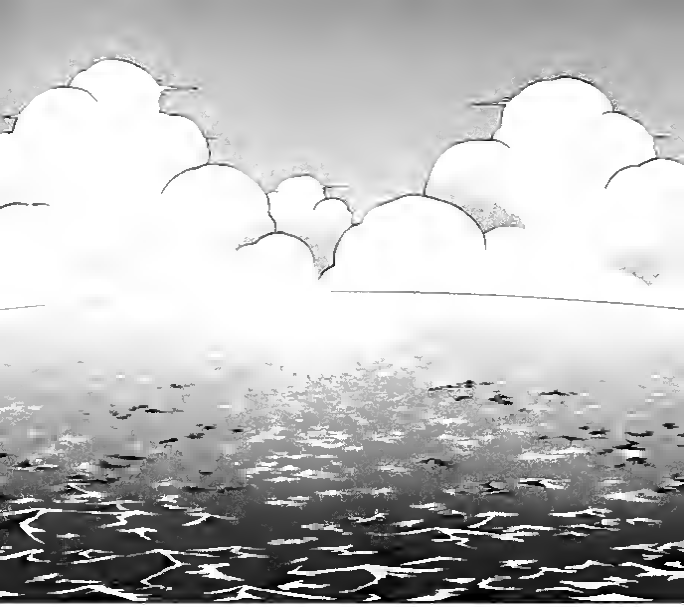
Ganma Headquarters

I have to go ...!
to that island .....



We should have caught up to him already...
Have you located the boat Kotaro-sama was on?

...!

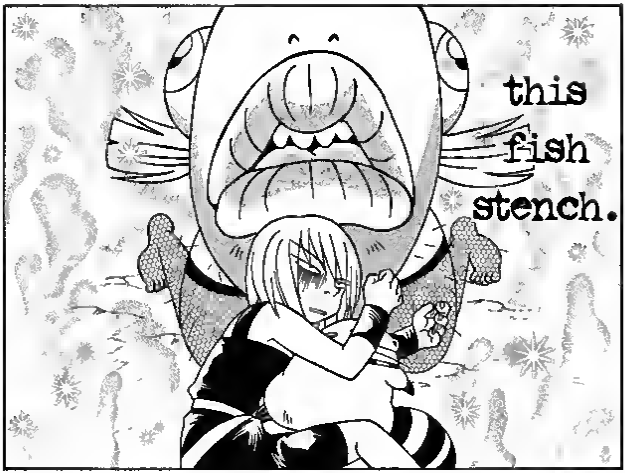
What's wrong!?
Huh?
We'll get him!!
There he is! Lower the altitude!
I see this huge school of fishes— ...
On the radar ...

Huh...? It became dark all of a sudden ...
The sky was clear just a while ago ...
!
Those couldn't be stockings, could they...!?
WHAT THE HELL!? Those fish have legs!
There's a huge whirlpool ahead!!!
What now!?
Hey! This is bad!
ゴゴゴゴゴ。

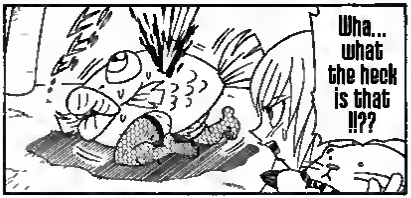
It's sucking him in
Hurry up and contact HQ!!!
SWIII
Uwa aah ...!!!
!

If we don't capture Hotaro...
The world will be in big trouble ----!!!

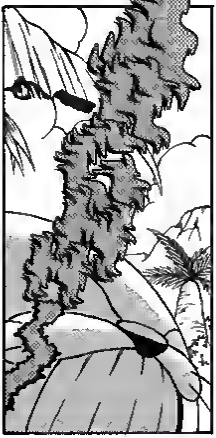
It's that island ----!
I feel so at ease ...
Why is it that ...
and familiar ...
and calm .....
and——...



this fish stench.



Wha... what the heck is that!!??



Help me! There's this weird red snapper

Now, now why are you shouting so loud ♡

Translation Note
Red Snapper = hen na tai
Pervert = hentai

Uwoh! Here come the reinforcements !!!
Oh my~~♡ Pervert? Where? Where!!??
They're destroying the eco-system.
This is bad ...
Th-th-th-th... they're talking.
Oh my~~♡ I'm scared Itou-chan.
You hear that Tanno-chan♡ There's a pervert around.
FF!FF
I better escape!

!!??
ΠBABA-!

STARE

WA AH !!!
Hmm.
Looks like a namamono got caught.
Hey, hey Papuwa!
WAA AAAH H!!!

Gotcha !
Can't be helped then, Liquid...

NBABA-!
Gwek .....!!!

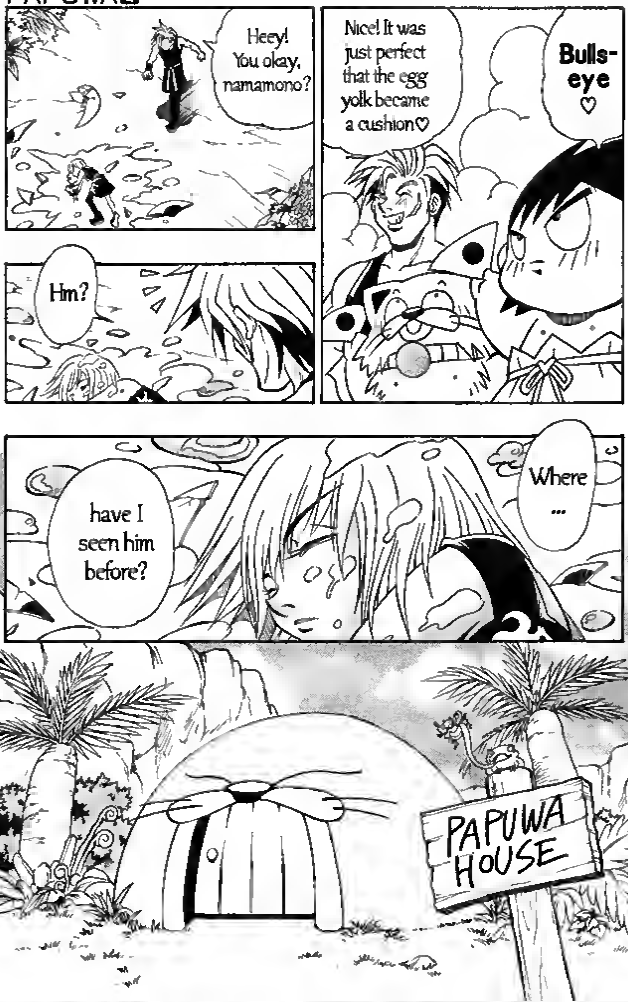
Uwa ahh !!!

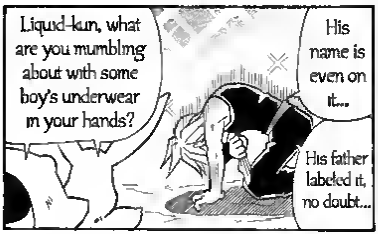


Heey! You okay, namamono?
Hm?
Nice! It was just perfect that the egg yolk became a cushion♡
Bulls-eye ♡
Where ...
have I seen him before?
PAPUWA HOUSE

Oh hh ...?
This morning, I found him unconscious at the beach and brought him here~~♡
Oh my, he's unconscious again~~♡
Yo! Eguchi-kun, Nakamura-kun.
Yoo-hoo♡ Papuwa-kun.
Yeah! That's ...
Huh-!? Isn't he ...
Stop that, you nama-mono's!
Let's scratch him with a coin!
Found a visitor!
I'm washing our visitor's clothes.
Scrub~ scrub~
Liquid-kun's doing laundry ~!
Kotaro.

Stop saying rubbish!
He's Kotaro!
Oooh! Come to think of it...
What ...!
Right?
Gamma is where Liquid-kun used to work, right?
Yeah .....
Right now, he's probably snuggling in bed at Gamma HQ!
Like that devil's spawn would come to this island.
And the low wages ...
Not that I want to be reminded ... of that assassination army.
ギュッ!
Laundry's done!
All right! Finally, all the yolk's off♡

Isn't this the Ganma underwear ~~~~!?
The mark's on it ----!!!

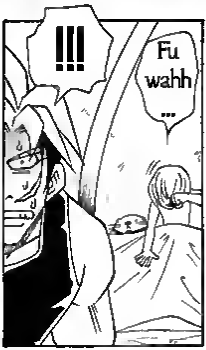


Liquid-kun, what are you mumbling about with some boy's underwear in your hands?
His name is even on it...
His father labeled it, no doubt...

KOTARO
.....

Ah ...

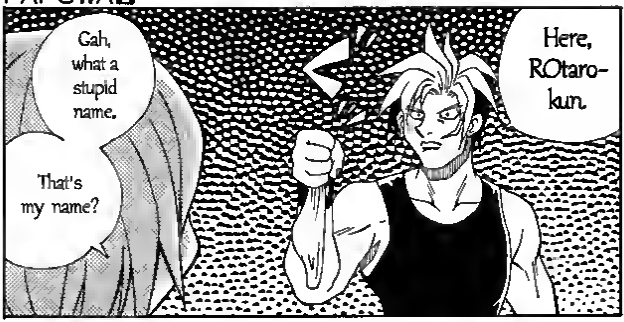
What's with the sudden servility?
Have you awakened, young master?



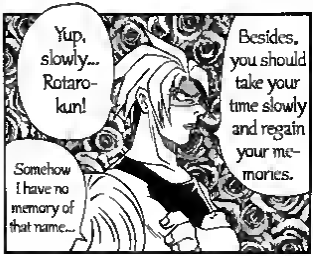
!!!
Fu wahh ...

Where am I...?
Who ...
am I?
It's like my head is all foggy ...
It felt like something was calling me to the sea...
But I can't remember anything after that...
Huh?
Every-one, gather round!

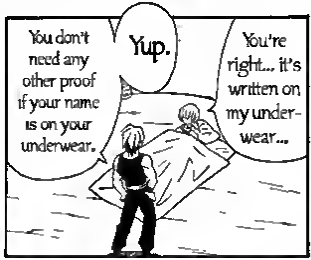
Eh? Why not?
Listen up! We must never let him realize that he's "Kotaro."
His head's all blank!
You heard that...? Seems like he lost his memory.
Oh my! ♡
If he recalls his true nature, who knows what might happen!!
Moron! He'll remember what he did four years ago.
PERMANENT!!!
Give it back!
That's my underwear, right...?
And my clothes.
Y... yes!? What is it?
Ummm ...



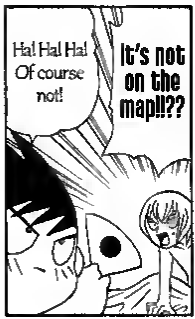
Here, ROtaro-kun.
Gah, what a stupid name.
That's my name?



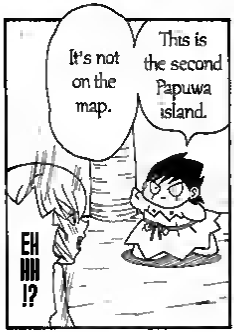
Yup, slowly... Rotaro-kun!
Somehow I have no memory of that name...
Besides, you should take your time slowly and regain your memories.



You don't need any other proof if your name is on your underwear.
Yup.
You're right... it's written on my underwear...



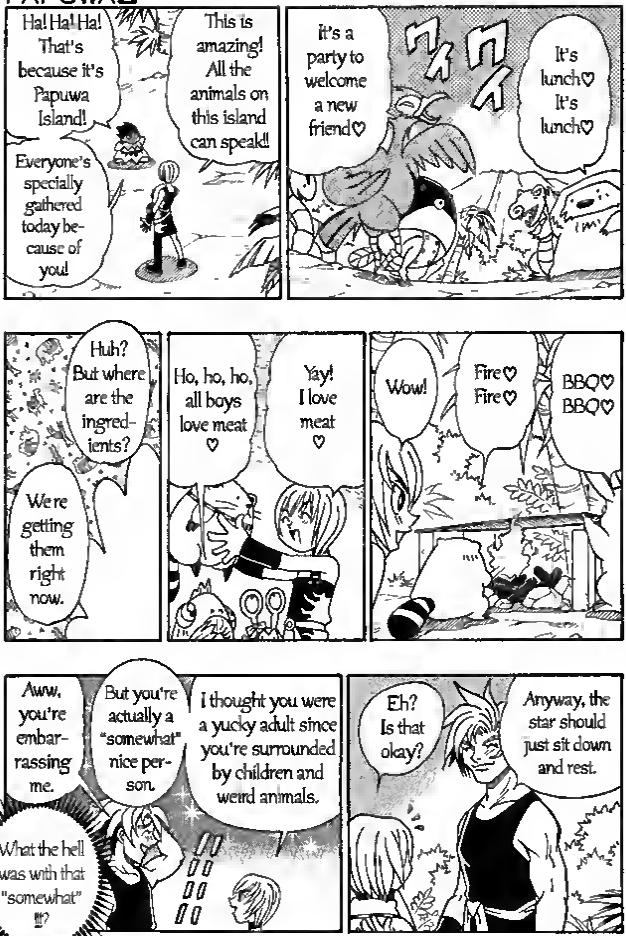
Ha! Ha! Ha! Of course not!
It's not on the map!!??



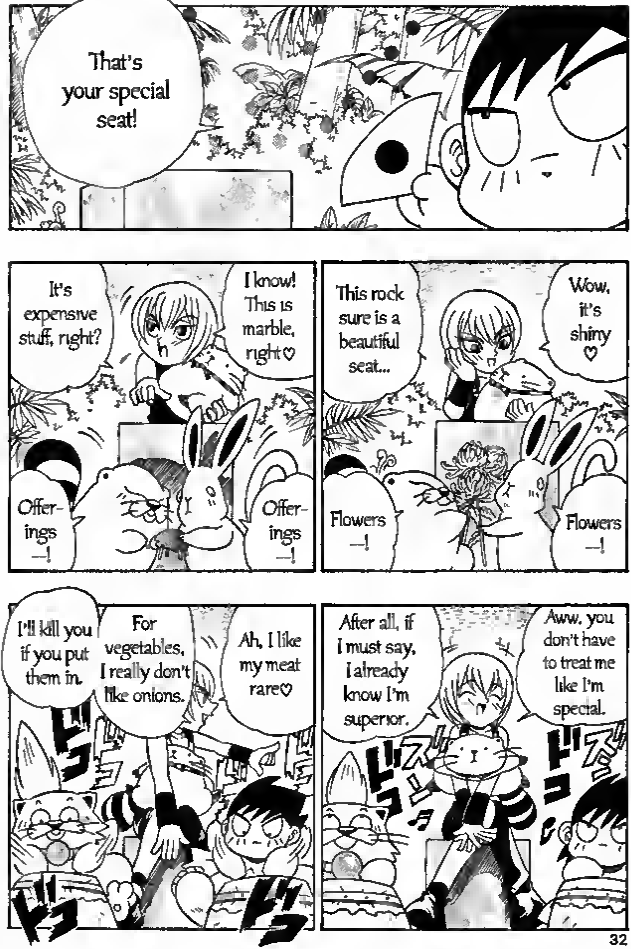
It's not on the map.
This is the second Papuwa island.
EH HH !?

Where is it on the map?
By the way, where am I?

AWAAAAAA--!!!
But because of you, it was ——...
Did you say "second" ...?
!
Hold it...
Then there was a "first" Papuwa island?
Of course!
Fine. I'll eat just to show my gratitude, so go prepare it.
Thank you, you big boor♡
Ah..... ... we're starving to death.
Our stomachs are empty because we lost our precious food just to save you.
Eh!? Rotaro-kun you're hungry too?
Oh my, we haven't had lunch yet.
Nope. I'm fine.
WELCOME TO PAPUWA ISLAND
POTATO-KUN



Ha! Ha! Ha! That's because it's Papuwa Island!
This is amazing! All the animals on this island can speak!
Everyone's specially gathered today because of you!
It's a party to welcome a new friend♡
It's lunch♡ It's lunch♡
Huh? But where are the ingredients?
We're getting them right now.
Ho, ho, ho, all boys love meat ♡
Yay! I love meat ♡
Wow!
Fire♡ Fire♡
BBQ♡ BBQ♡
Aww, you're embarrassing me.
But you're actually a "somewhat" nice person.
I thought you were a yucky adult since you're surrounded by children and weird animals.
What the hell was with that "somewhat" !?
Eh? Is that okay?
Anyway, the star should just sit down and rest.



That's your special seat!
It's expensive stuff, right?
I know! This is marble, right♡
Offer-ings —!
Offer-ings —!
This rock sure is a beautiful seat...
Wow, it's shiny ♡
Flowers —!
Flowers —!
I'll kill you if you put them in.
For vegetables, I really don't like onions.
Ah, I like my meat rare♡
After all, if I must say, I already know I'm superior.
Aww, you don't have to treat me like I'm special.

Rotaro's Grave
Every-one's gone!
Don't you think it's getting closer, you guys—
What... the!? What's that eerie noise ...

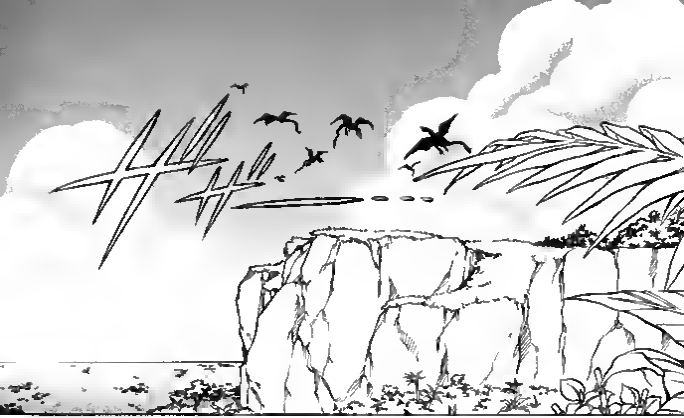
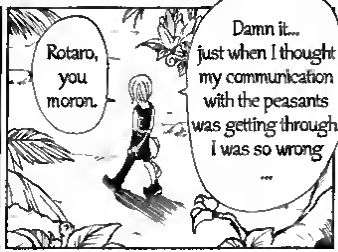
Don't worry. He's a lizard, it'll grow again.
It's my meat, so it's okay for me to eat the biggest piece.
That's not what I meant!
You guys! That was mean!
How can you all calmly eat that meat !?
You... you ingrates!
I'm not going to let you be my servants anymore!
Since when did he think so highly of himself...?
How rude to say we used him as a decoy.
Wait, wasn't it a scapegoat?
You tricked me and used me as a decoy. Don't you feel guilty at all!?



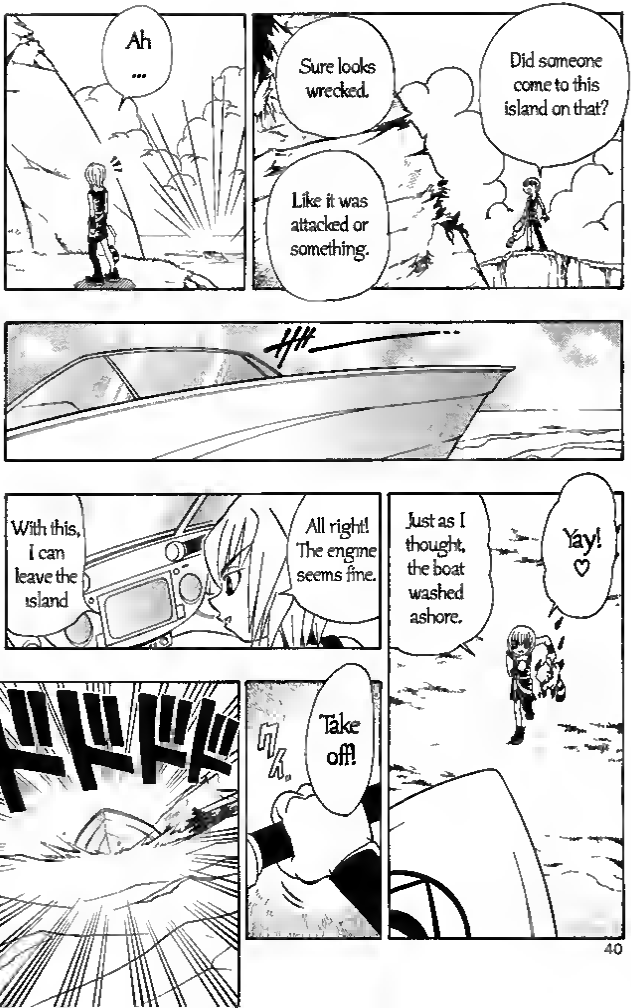
I have to get out fast.
A delicate person like me won't be able to stand this island.



Rotaro, you moron.
Damn it... just when I thought my communication with the peasants was getting through. I was so wrong ...

I'm sure that boat I was on must have washed up somewhere.

A... wooden ship!?
And it's huge ...!!!



Ah ...
Sure looks wrecked.
Did someone come to this island on that?
Like it was attacked or something.
With this, I can leave the island
All right! The engine seems fine.
Just as I thought, the boat washed ashore.
Yay! ♡
Take off!

Looks like a wave is heading this way.
What's that over there...?
Hm?
キョキョキョー
ブブブ…

Woof ♡
Right, Chappy? ♡
Oooh! So that's where you were! We've been looking for you!
